The Aldobrandini family are an extremely idiotic, evil, and creepy bloodline and they oversee the Cult of Hades which is a murderous and cannibalistic cult of pedophiles. The Aldobrandinis are involved with the Vatican and banking and are currently married with the French Rothschild family. They are also top managers of the Jesuits and they are architects of serial killers. They are also married with the Antinori family of Florence and have inherited a villa in Florence and ducal titles in Apulia. Marchese Piero Antinori is the current head of this family. The Aldobrandinis produced one pope and several cardinals for the Roman Catholic Church. The name Aldobrandini derives from the Arabic word Aldebaran which means the "follower." The Aldobrandini clan came into Europe during the Moorish invasion and have an Arabic, Saracen, and Basque ancestry. Today the Aldobrandinis have an alliance with Sunni Muslim leaders. The royal family of Saudi Arabia have a close relationship with the Vatican and a covert alliance with the Aldobrandinis. Ignatius Loyola who was a co-founder of the Jesuits and its first Superior General was of Basque descent and likely related with this family. Loyola was a soldier for the Spanish Dukes of Najera a title now claimed by the Colon or Columbus family. The Aldobrandinis follow after the Massimos and have intermarried with the Massimo-Lancellotti branch. The Massimo's Vatican came first and the Jesuits followed after just as Aldebaran means the follower. The Black Nobility uses its Jesuit universities to recruit Roman spies and agents and the Aldobrandini family have a portion of authority over the Society of Jesus

with their Jesuit-Hades cult branch located at Loyola of New Orleans with Tania Tetlow as president of the college. Pope Clement VIII or Ippilto Aldobrandini issued the Congregatio de Auxiliis as a peace agreement between the Jesuits and Dominicans. Ranuccio I Farnese married Margherita Aldobrandini and it was the Farnese family that officially established the Jesuits. The current head of the Aldobrandinis is Prince Camillo Aldobrandini and his son is Prince Clemente Aldobrandini. Clemente means mercy or gentle. They use gentleness as a cover similar to the way some pedophiles target children.

The heads of the Aldobrandinis are Prince Francesco Aldobrandini the Duke of Brindisi in Apulia and he resides at the Palazzo Antinori in Florence along with his half brother Prince Giovanni Ferdinando Amerigo Aldobrandini. Prince Camillo and his son Prince Clemente are also high level members. Amerigo is where America got its name. Sylvester Stallone's family is from Apulia and he can be seen shaking hands with David Meyer de Rothschild. The Stallones are members of the Apulian Mafia. The Apulian Mafia has thousands of members operating in New Jersey. The actors on the show Jersey Shore are all connected with mafia clans. The Vatican has also covertly made Sylvester Stallone the ceremonial leader of their Order of Saint Sylvester and Vicar of Atlas. Atlas refers to Atlantis as well as Atlantic like Atlantic City. The Aldobrandinis are part owners of the Apulian Mafia also called the Sacra Corona Unita which have an operation in New Jersey. The Savoy-Aostas which are the Dukes of Apulia are also part owners of the Apulian Mafia. New Jersey is a mafia headquarters for human trafficking. They have deeply infiltrated the New York and New Jersey Port Authority. The Aldobrandinis have a portion of ownership over the DeCavalcante crime family of New Jersey with Simone Rizzo DeCavalcante Jr who resides in Naples, Florida. The DeCavalcantes have a faction in Florida. The DeCavalcantes are involved in all forms of organized crime including waste management with one of its founders was nicknamed Sam the Plumber. The mafia disposes of bodies and body parts in landfills and sewage plants. The Italian Mafia often hires criminal bikers for their hits especially when the hit is a non Italian or not connected to the mafia. The extremely depraved rapper RZA took his rap name for Simone Rizzo DeCavalcante and he is an agent of the DeCavalcantes and Aldobrandinis. RZA's brother is a rapper named 9th Prince. RZA lives in New Jersey and is a boss of the AVLN and Five Percenter Islamic supremacist group and he provides a defense for the human trafficking ring in New Jersey. When I originally exposed that there is a Araba Mafia in New Jersey that are involved in human trafficking RZA sent some goons to my house at 3:00AM to try and intimidate me. De-Caval-Cante. Caval means a cave. Hades means the underworld and deep underground caverns. Jesuits are involved in sacrificing people including children and they often do this in caverns.

Cinzio Aldobrandini was a Roman Catholic Cardinal and there is the Reaper of Death statue with a sickle at his tomb at San Pietro in Vincoli along with the Aldobrandini coat of arms and this displays their sinister nature. Cardinal Donald Wuerl was recently Archbishop of Washington DC and is also the Cardinal of San Pietro in Vincoli. The Aldobrandinis still own their old villa in Frascati which looks really creepy. Around their villa they have creepy statues of Poseidon, Pan, and Atlas. Members of the Cult of Hades include the child murdering pedophile actor Johnny Depp who was in the movie the Ninth Gate which refers to Pluto or Hades the ninth planet. Roman Polanski produced the movie the Ninth Gate and he is a convicted pedophile who raped and drugged a young girl. Johnny Depp publicly supported the West Memphis Three which was three older teens that murdered three young boys and Johnny Depp has been a major supporter of these murderers. Johnny Depp is also close friends with Marilyn Manson who is a priest of the Church of Satan and follower of Aleister Crowley. Johnny Depp has done dozens of kids and family movies and is friends with Satanic priests and supports three convicted child murderers. A serial killer and gang stalker named Paul Lallier often works under the Aldobrandinis along with his criminal associate Jose Ruiz who has a reaper tattoo. The Aldobrandinis have a reaper on their tomb. The

wrestler Roman Reigns takes his name from Rome and he is a ruthless and murderous agent of the Aldobrandinis. Roman Reigns or Joe Anoa'i is a cannibalistic monster. The Aldobrandinis have married with the Italian Banchieri family which are an old Italian banking family and their name means bankers. It is possible the Rothschilds have a relation to the Banchieris. Paul Sarlo is a state senator and businessman in New Jersey and he is a covert associate of the DeCavalcante crime syndicate and an agent of the Aldobrandinis. Sarlo works in the construction industry as chief operating officer of Joseph Sanzari Inc. The mafia specialize in construction rackets and build covert underground facilities and bunkers used for sex trafficking of women and children and human sacrifice. Joseph Sanzari is the CEO of his company and a high level gangster.

The Aldobrandinis had stocks seized by the United States government in the 40's-50's through the Trading with the Enemy Act likely for working with the Italian Fascists. Princess Olimpia Aldobrandini is married to Baron David Rene de Rothschild who is the head of the French Rothschild family and their son Alexandre de Rothschild is currently the head of N M Rothschild & Sons today and he is an Aldobrandini. In Judaism the Jewish lineage is passed down from the mother so it should be a Roman Catholic Rothschild-Aldobrandini that inherits the Rothschild bank or a portion of its ownership. Prince Camillo Aldobrandini is friends with Antonio Purini and Purini can be seen associating with Cornelius Brandi the Executive Chairman of CMS and Senior Partner of CMS Germany which is a international law firm headquartered in Switzerland that assists in tax evasion. Brandi like Aldo-brandini. The Rothschilds have also married with the Brandolini d'Adda family of Venice. Brando- lini like Aldo-brandini. The Aldobrandini also merged a family branch with the Borghese banking family of Rome under Prince Paolo Borghese and this branch intermarried with the House of Bonaparte. The French House of Bonaparte still covertly govern France and are loyal to the Black Nobility of Rome and Italian royals. Prince Camillo Borghese or Pope Paul V created the Bank of the Holy Spirit in 1605 and the bank eventually merged into UniCredit. The Borghese and Aldobrandini families have an alliance and they have married with the royal family of France and the top bankers of the France the Rothschilds. The Aldobrandinis are involved with infiltrating major ports for human trafficking. Rick Cotton is the executive director of the New York and New Jersey Port Authority and he enables organized crime and child trafficking. The Aldobrandini crime family are involved with pedophilia, satanic ritual abuse, human sacrifice, cannibalism, human flesh trafficking, human trafficking, murder, conspiring against foreign governments, and terrorism. Members of this wicked family include Prince Giovanni Aldobrandini, Prince Camillo Aldobrandini, Prince Clemente Aldobrandini, Princess Olimpia Aldobrandini-Rothschild, Alexandre de Rothschild, and Prince Francesco Aldobrandini the Duke of Brindisi.

Prince Giovanni Aldobrandini is a top authority over the Jesuits and an owner of the DeCavalcante crime family.

Prince Camillo is a sadistic murderer and he sacrificed and cannibalized his daughter Princess Cinzia Aldobrandini. Prince Camillo Aldobrandini's son Prince Clemente Aldobrandini is also really sinister and murderous and he uses compassion and mercy as a weapon. The Aldobrandinis are the top managers of the modern Cult of Hades and primary owners of the DeCavalcante crime family and Apulian Mafia.

The tomb of Cardinal Cinzio Passeri Aldobrandini, decorated with an allegorical skeletal **representation of Death**, is also in the church.

Wuerl was widely considered to be a bishop who was proactive in confronting sexual abuse.[62] Wuerl won plaudits and criticism for his efforts to remove sexually abusive clergy years before other church leaders made similar efforts.[4] **After the release of a grand jury investigation report in August 2018, he received a great deal of criticism for how he had handled some abuse cases.**[63][64]

Damien Echols was sentenced to death, Jessie Misskelley, Jr. to life imprisonment plus two 20-year sentences, and Jason Baldwin to life imprisonment. During the trial, the prosecution asserted that the juveniles killed the children as part of a **Satanic ritual**.^{[1][2][3]}

On August 19, 2011, they entered Alford pleas, which allowed them to assert their innocence while **acknowledging that prosecutors have enough evidence to convict them**. Judge David Laser accepted the pleas and sentenced the three to time served. **They were released** with 10-year suspended sentences, having served 18 years and 78 days in prison.^[6]
